

POLICY ON CARRIAGE OF SPORTS EQUIPMENT
Effective 01 May 2011

EUROPE ROUTES

1. Golf bags containing golfing equipments are transported free of charge {one item of equipment weighing no more than 20 kg per passenger}.

This facility is applicable for travel on a point to point basis to all Air Mauritius online destinations in Europe.

2. The transport of sports equipment {Diving, cycling, surfing, skiing equipment, etc} is included in the free baggage allowance, provided they do not exceed 200cm in dimension (length + width + height). This type of equipment is considered as equivalent to one single piece of baggage. In case the total number of pieces, including sports equipments, exceeds the free baggage allowance, the charge for extra pieces will apply as per the piece concept policy.
3. The following items **cannot** be included in free baggage allowance and a flat fee of USD 200 (Ex-Mauritius) and EUR 200 (Ex-Europe) is payable:
 - Surfboard > 200 cm
 - Diving bottles
 - Hunting trophies
 - Sports equipment whose dimension (L+W+H) exceed 200cm

REST OF NETWORK (except RODRIGUES ROUTE)

1. Golf Bags

Passengers will be allowed to carry one Golf bag free of charge. The golf bag should contain golfing equipments only and should not exceed a maximum weight of 20 kg. The free Golf bag has to be checked in separately from checked baggage.

2. Other Sports Equipment

Sports equipment can be included in checked baggage, provided they do not exceed 200cm in dimension (length + width + height). If the total weight exceeds normal baggage entitlement, a flat fee per trip each way within a 20 kg limit per set of equipment will be charged as follows:

- South Africa/Reunion/Antananarivo - EUR 20
- Other routes (except EUROPE and RODRIGUES) - EUR 40

3. If the dimension (L+W+H) of sports equipment exceeds 200cm then a charge of USD 200 is payable.
