You can get access in three different ways:

- 1) Click the link in your pre-boarding emails (Internet check-in reminder and Wi-Fi access code).
- 2) Connect through the Air Mauritius App and enter your flight details for 48 hours of complimentary access before and after you fly with us.
- Connect to the WiFi in the Air Mauritius lounge and go to publications.airmauritius.com.
   Note: the user might need to type the complete address namely http://publications.airmauritius.com

More information can be obtained from the Air Mauritius website through a list of frequently asked questions:

- English: airmauritius.com/ereader.htm;
- French: airmauritius.com/ereader\_fr.htm;
- Simplified Chinese: airmauritius.com/ereader\_zh.htm.

**Note:** the user might need to type the complete address e.g. <u>https://www.airmauritius.com/ereader.htm</u>.

Although the PR website i.e., <u>www.pressreader.com</u> can be used to read publications online, we recommend users to install the PressReader App (available for Android, IOS and Window) for a better experience and to download and read at leisure even when offline. Publications can only be downloaded within the PressReader App and downloaded publications can be accessed from the PressReader App in the "Downloaded" section and cannot be transferred to other devices unless the user has signed in to the PressReader App as illustrated below:
