

# CAREER OPPORTUNITY

## **Certifying Staff** **(Open to Foreign Nationals)** **(Ref: CS/26/001)**

Air Mauritius Ltd, the national airline of Mauritius, is embarking on an exciting phase of growth and transformation. As we continue to expand our horizons and elevate our standards, we are inviting passionate, dynamic and highly motivated professionals to be part of our journey.

We are seeking talented individuals who are ready to embrace new challenges, drive innovation and contribute meaningfully to our success. If you are committed to excellence and eager to make a difference in the aviation industry, we welcome you to apply for the position of Certifying Staff in the Technical Services Business Unit.

### **Note 1:**

- Base of operations will be in Mauritius.
- An attractive package commensurate with qualification and experience will be offered to the successful candidate with other benefits as applicable.

### **JOB PROFILE:**

The Certifying Staff will be responsible to perform aircraft maintenance activities in accordance with applicable procedures, regulations and requirements including the following:

- Issue Certificate of Release to Service on Air Mauritius aircraft as well as customers' aircraft.
- Work on shift system and may be required to work at outstations.
- Be responsible to supervise the work performed by technicians and assistants and ensure required standards are met.
- Work in an effective manner and contribute to maintain the dispatch reliability to acceptable level.
- Provide guidance and on the job training to trainees, assistants and technicians, among others.

### **PREREQUISITES:**

Holder of a valid EASA or MCAR Part-66 Aircraft Maintenance Engineer License, in the category B1 and/or B2.

### **Plus**

A valid Aircraft Type Authorisation Document issued by a Maintenance Organisation approved by the Mauritius Department of Civil Aviation or a EASA Part 145 Approved Maintenance Organisation, as certifying staff in the Category B1 and/or B2, with at least one aircraft type from the following: ATR72-500/600, A330 (Trent700/Trent7000), A350, A320/321, B777.

### **OTHER REQUIREMENTS:**

- Must be fully familiar with the Mauritius Civil Aviation Regulations and / or EASA PART 145 requirements
- Have strong analytical, critical thinking, organisational, planning and problem-solving skills
- Be proactive, result-oriented and have a proven track-record of delivery against targets
- Have the ability and willingness to work both in the hangar and the ramp, within tight deadlines and odd hours including week-ends and public holidays
- Be health and safety conscious
- Be a team player with good integrity, interpersonal and communication skills
- Be dynamic, motivated and enthusiastic

**APPLICATION PROCEDURE:**

Interested candidates meeting the requirements are invited to send their application addressed to the Senior Human Resources Business Partner, by registered post or e-mail together with the following documents:-

1. Motivation letter
2. Resume/ CV
3. [Company's prescribed form](#)
4. A photocopy of National Identity Card
5. Copy of educational certificates with letters of equivalence from National Equivalent Committee (where applicable)
6. Copy of valid Aircraft Maintenance Engineer License and valid Aircraft Type authorisation document
7. Documentary evidence relating to maintenance work experience
