Air Mauritius and Air Canada launch frequent flyer partnership

A new reciprocal frequent flyer partnership was launched between Air Mauritius Kestrelflyer and Air Canada Aeroplan on 14 December 2021.

Effective 14 March 2022, Air Mauritius Kestrelflyer members will earn miles while flying on Air Canada domestic and international flights.

Similarly, Air Canada Aeroplan members will also earn miles when they travel on Air Mauritius flights. This collaboration offers both Kestrelflyer and Aeroplan members the ability to earn and redeem miles on each other's flights.

This new partnership enriches Air Mauritius' loyalty programme offering, by enabling Kestrelflyer members to access more premium air products in the North American region.

Air Canada is Canada's largest domestic and international airline with a four-star Skytrax ranking. In 2020 it was among the top 20 largest airlines in the world. It is Canada's flag carrier and a founding member of Star Alliance.
