

**Undertaking by Passenger**

**For inbound flight to Mauritius**

I, .....undertake to respect the quarantine conditions imposed by the Government of Mauritius once I reach SSR International Airport.

I agree to undertake a mandatory PCR test (no other test accepted) within five days prior to the date of embarkation and to produce this laboratory certificate at check in to confirm that I am Covid-19 free.

I understand that if I do not bring this signed document and the certificate of the PCR test at the check-in, I would not be allowed to board.

Passport No.....

Date .....
