AIR MAURITIUS FINANCIAL STATEMENTS

Following reports that appeared in the press recently, Air Mauritius wishes to reassure its Shareholders and the public at large that there is no discrepancy in its Financial Statements.

Air Mauritius is a public listed company on the Stock Exchange of Mauritius. It carries out its operations with high integrity and its Financial Statements are prepared in accordance with the International Financial Reporting Standards. They comply with the Companies Act 2001 and the Financial Reporting Act 2004.

The company has only one accounting system, the Oracle Financial which is an Enterprise Resource Planning (ERP) Software, used to produce its Financial Statements.

The Company's Financial Statements are audited by two external auditors and published according to the regulatory provisions of the Stock Exchange of Mauritius. Annual Reports are circulated among all Shareholders and the most recent Company Financial Statements are also available on the website of the Stock Exchange of Mauritius as well as on the website of the company. Air Mauritius also provides all explanations on its Financial Statements to Shareholders at its Annual Meetings.
